

1

WHAT IS CLAIMED IS:

5

1. A method of printing postal indicia on a custom sized envelope comprising the steps of:

determining size of said envelope;
selecting a height of said envelope;
selecting a width of said envelope; and
printing a sample envelope.

10

2. The method of claim 1 further comprising:
verifying the size of said envelope by placing on a template.

15

3. The method of claim 1 further comprising:
assigning said envelope a custom name.

20

4. The method of claim 2 further comprising:
printing said postal indicia onto said envelope.

25

5. The method of claim 4 wherein the step of printing said postal indicia comprises printing a FIM.

30

6. The method of claim 5 wherein the step of printing said FIM further comprises printing said FIM within a predefined distance of an edge of said envelope.

35

7. The method of claim 6 further comprising:
verifying correct placement of the FIM on the envelope.
